Help me – Finding my way
Finding my way, like a stray – Afraid
I gotta find a way
To heavens gate

Don't know which way to go
Can you show me?
I'm a lost angel
Take my broken wings
And learn to fly
I've lost my direction
Don't know right from wrong
What's up or down
Nowhere to run
Nowhere to hide

Now, won't you help me find the way?
Now, won't you help me find the answers?
Help me get back on my feet
Take my eyes and make me see

Break the chains to set me free
See them fly, See the fire in the sky
There gonna come down and take me away
These steel wings of mystery
Are gonna take me to my destiny
Back to heaven
To the gateway to heaven

Don't know which way to go
Can you show me?
I'm a lost angel
Set me on a course
Back to my home
Send through the gates of time
I'm not afraid
I'm a brave angel
Give me the strength to
Make it on my own

Now, won't you help me find the way?
Now, won't you help me find the answers?
Now, I'm begging you to
Please take my eyes and make me see

BRIDGE
CHORUS
SOLO

Drifting on a sea of darkness
Can you see me?
I'm a lost angel
I left behind
The peace within your soul
I brought you hopes and dreams
Can you feel me?
I'm a good angel
And I'll be back again
When time unfolds

And, I'll help you find the way
And, I'll help you find the answers
Now, I promise you
I'll shine the light on you
To make you see

CHORUS

Can you hear me?

I only want to be back home

Back to heaven's gate
