You've crossed me for the last time baby,

I treat you so damned good,

You're not worth the agrivation honey,

Bitchin' like I knew you would,

I Don't Feel You Anymore

Back lash – free at last,

Running like a dog in heat,

Ripping my heart out,

Left me in doubt,

Cut me then watch me bleed,

CHORUS

I don't feel you anymore,

So keep on walking out the door,

Remember times when we were in love,

And you were my sweet little girl,

I Don't Feel You Anymore

Blood red rose,

Endless star lit skies,

Didn't know evil lurked behind those eyes,

Then the red rose turned black,

Drove me out of my mind,

Played the game of innocence,

You were just wasting my time,

CHORUS

Caught between desire, passion and lust,

I Don't Feel You Anymore

Look into the mirror, what do you see?

What makes you think I'm so blind,

I'm not the hurting kind,

I'm as hard as steel, unpredictable,

Don't mess with me,

CHORUS
