

Site Update

Written by Admin

Monday, 01 March 2010 04:15 - Last Updated Tuesday, 02 March 2010 03:59

I'm working to get the site back in operation. I plan to post all the Lost Angel pictures that I have and restore the reviews and links that I can. Also I will be putting up advertising banners for anyone interested. If you are a friend or ex-band member, I will put your banner up for free. Just email your banner to me at admin@lostangel.com and I will add it to the banner rotation.
