Grab some of your hard-earned cash  
(Huh) It's time to go bark at the moon

When the lion's growl and the full moon howls  
And everything seems to change  
When you're all alone and nowhere to go  
Do you feel like you're going insane?  
Don't ask me how I think it should be  
I'm not your preacher man  
Well, if the nights your thrill, let the hourglass spill  
The night is just about to begin

Nights off – Days spent  
Walking through the shadows of the night  
Nights off – Days spent  
Come with me, see the morning light

Such a sight, just to see the light  
Just before the break of dawn  
Fly with me, set yourself free

Onward to the rising sun  
Look at you, you know it's true  
You push yourself to the limit  
You're wild and free, you can't fool me  
I know you like the back of my hand
